SECOND WEEK OF LENT:

Sunday, March 12 – Saturday, March 18

THEME:
NOTICE

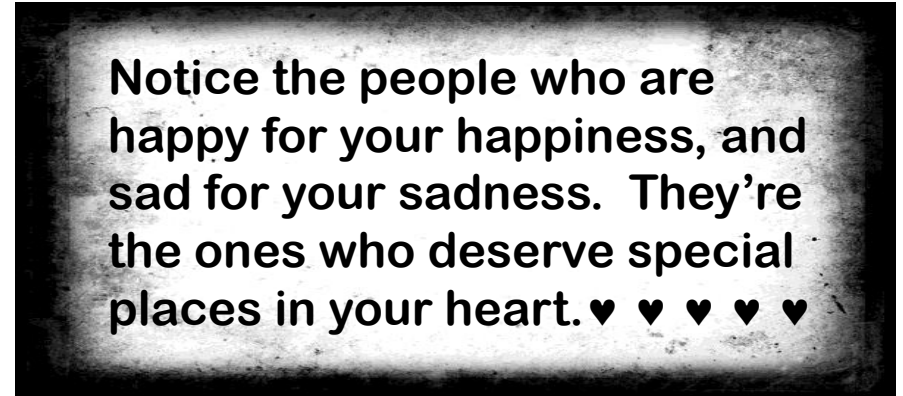

NOTICE things that are happening around you.

Sunday

Attend Mass. Notice what happens on the altar. “This is My Body”...“This is My Blood”...why are these words said? What do they mean?

Monday

Do you see someone trying to blend into the background or wanting to be invisible? Are they afraid of being bullied? Do they have a low self-image? Notice what makes them feel this way?

Tuesday

Do something nice for someone anonymously (**without them knowing** it was you). Notice their response. Write what you did and their reaction.

Did you expect what happened?
