

Name: _____

Teacher: _____

FIFTH WEEK OF LENT:

Sunday, April 2 – Saturday, April 8

THEME:
RELY

RELY on God. Ask for help when you need it!

Sunday

Ask for help in avoiding a temptation before it turns into sin. How will you rely on Jesus for the help you need to avoid sin? In your own words, write a short prayer.

Great things happen when you stop relying on yourself and start relying on God.

Monday

Fidelity (or faithfulness) is a fruit of the Holy Spirit. It means to remain loyal and keep your promises to God and others. Share a promise that you have made to God. Have you kept it? Are you committed once you make a promise?

Tuesday

We try to be independent, but when we really need help we need to ask someone for assistance. Ask for help today. Notice how it made the person feel when you allowed them to help. How do you feel when someone asks you for help? Do you feel needed? Special?

FIFTH WEEK OF LENT:

Sunday, April 2 – Saturday, April 8

Wednesday

It has been five weeks since you wrote the letter to yourself on Ash Wednesday and eleven weeks since you turned in your promise card. Which promises have you kept and which have been abandoned? Are you relying on God for the grace to remain strong and true to the promises you made?

Thursday

Read Mark 14:32-36, the Agony in the Garden. Describe why Jesus prayed this way. Is He giving up? Afraid? Doubtful?

Friday

Right judgment means asking for help/advice when making an important decision (or counseling someone else who needs help). Describe a time you relied on good advice or prayer in making an important decision.

Saturday

Think about where you need more self-control. Do you spend too much time on social media? Gossiping? TV or video games? It's hard to stop yourself from doing things without help. Who can you ask for help with this? Take some time to think about all the things you could be doing if you had more self-discipline!

Whenever you do not understand what's happening in your life, just close your eyes, take a deep breath and say "God, I know it's your plan. Just help me through it."

Turn in Sunday, April 23 (CCD) or Monday, April 10 (School)
