
APRIL Supplemental Learning

April 7: Write a description of Pentecost.

Include what happened physically and spiritually. Who experienced this? What happened as a result of Pentecost?

Family Faith Activity:

Continue your Lenten journey, going to Mass and carrying out your Lenten plan all the way to Easter. Reflect and discuss the Passion of Jesus. What did He go through for you?

PARENTS- If you are planning for your children to participate in PREP in September,

Please re-register them now. Deadline for first priority re-registrations is May 24th.

This will give us numbers to start planning and ordering (books, teachers, etc)! Invoices and calendars will NOT go out until late summer and new registrations will take place in late summer as well.

Thank you for being a part of our dynamic program and we welcome your input!
