

February Supplemental Learning

Listening

Did you know that God speaks to us in many ways? Learning to listen to God's voice is one of the most important lessons we can learn in life. Every Sunday at Mass, God has something he wants to tell you. It is unique every week. That is why he invites you to come to Mass every Sunday so you can hear what he wants to tell you.

I listen
to God's
Word at
Mass

Draw yourself listening to
God's Word.
