

# LEVEL 6

---

## February Supplemental Learning

---

### February 10:

Choose a saint you admire and write down something interesting and something holy about them. How could you be like them?  
Be ready to share.

### Family Faith Activity:

This month we celebrate the Feast of Our Lady of Lourdes (Mary) on February 11<sup>th</sup> and the feast of St. Bernadette (the child who was visited by our Blessed Mother) on February 18<sup>th</sup>.

These two feast days remind us how much our Holy Mother loves us and wants to help heal us – both spiritually and physically. We encourage families to take the time to pray to Our Lady and dedicate a Mass and the prayer to someone in need of physical, emotional or spiritual healing.

### February 24:

Put the mysteries of the rosary into chronological order. Pray at least a decade of the rosary. Make sure you offer it for someone's healing.
