

March Supplemental Learning

First Communion Altar Activity

It is a tradition here at St. Ignatius for all those students who are preparing for First Holy Communion to do an Altar Activity. The information about the assignment is attached. The children will be learning more about the items on the altar activity during this month and also first-hand at the First Communion Retreat on Saturday, March 16.

This is the time to start getting the creative juices flowing! Parents may help their child with the altar, and do not have to be elaborate. The children should not use any items of importance to them as sometimes things can get broken or lost.

Altars are due on Sunday, April 14

All of us at St. Ignatius enjoy looking at all the altars and are highly anticipating their arrival. If you have any questions prior to the Retreat, please give us a call at 610.678.0676.

REMINDER...

Saturday, March 16, 2019

9:00 – 11:30 am | Registration at 8:45 am | St. Ignatius Church

Please bring a school size (no larger than 2 ½" x 3 ½") picture of your child to the Retreat; it will be used in an activity with the children. These photos will not be returned.
