# Blessings

COUNT THEM ONE BY ONE

**We have so much to be grateful for...each and every day.**

Unfortunately, life gets busy with school, sports and family obligations that we forget to just pause and give thanks to God for all He has given us and continues to do for us.

November, and Thanksgiving in particular, is a natural time of year to think about all the blessings God has given us.

This month, Kindergarten is asked to discuss with their family what blessings they have that others may not. In return for the things God has given them, they should be thankful to Him.

**So how do you thank God?** By making a choice every day to give Him praise and thanks in prayer, going to Mass, listening to His word and serving others.

*"Give thanks in all circumstances; for this is the will of God in Christ Jesus for you." 1 Thess. 5:18*
