

September Supplemental Learning

What are your talents?

Sometimes it's easy to see our talents. We might be good at sports or at showing younger children how to do things. We might be good at making other people smile or laugh. Sometimes we don't know we have a talent until someone else says, "Hey, you're really good at that."

This month, we are learning to discover the talents God has given us. Your task this month is to ask family members to tell you things you are good at and then think about how can you use those talents to honor God or give joy to others?

I'm good at...

- _____
- _____
- _____
- _____
- _____

I can use my talent to...

- _____
- _____
- _____
- _____
- _____

† A Moment with Jesus †

Think about all the wonderful gifts that God has given you. Ask Jesus for his help in using your gifts and in seeing other people's gifts.
Thank Jesus for his goodness.
