

## April Supplemental Learning

### **WE MADE IT!**

You did it! You are ready for Level 2. But before you go...let's review all that you learned this year in Level 1.

Let's start with our prayers. This year you learned The Lord's Prayer (Our Father), Hail Mary and Glory Be. Knowing these prayers will be essential as you enter into preparation for your First Penance this coming Fall. Pray these prayers as often as you can...but as a review, during the month of April, say these three prayers to five different people.

Attached is a review of everything that you also learned this year. Take some time this month to go over this review...and don't forget to keep Christ in your life as you enter the summer months.
