

## December Supplemental Learning

# GOOD DEEDS MANGER

Christmas is a season of love, warm feelings, and happy hearts! With all the excitement of the holidays, it can be hard to keep your attention on the true meaning...the birth of our Savior, Jesus Christ.

The Good Deeds Manger is a great way to help remind you to keep your heart focused on the reason for the season.

The manger starts out empty, but throughout Advent, each time a good deed or act of service is done, you get to add a piece of "straw" to the manger (cut strips of paper). Little things like making a bed, helping with dinner, writing a nice note, or helping someone in need all count. Make it a family project! Little bits of kindness spread and you will see how quickly the manger is filled to make a soft bed in time for the baby Jesus to arrive on Christmas day.
