
November Supplemental Learning

Giving thanks. When we have a thankful heart, we realize that no matter what we are faced with, God will work to help us. At this time of year, and especially at Thanksgiving, we are reminded of everything God has done for us, and why we should be thankful.

Level 1 is learning about the types of prayer and how to be grateful. On November 12, the students will be making a “Thanks”-giving turkey, to help remind them of all the things that they are blessed with and how to offer their thankfulness in prayer.

Students should display this turkey prominently on the Thanksgiving table. They are to start the prayer of thanksgiving and then go around the table so that everyone has a chance to offer their thanks to God as they name something they have been blessed with as well.
