

October Supplemental Learning

YES, LORD

Think about Mary's yes to God.

What makes Mary such a good spiritual role model for you?

Are you listening?

How did God call you this month?

How did you answer?

At the Annunciation, Mary was asked to be the mother of Jesus, God's son. When she said yes, she became our spiritual mother: the Mother of the Church and of all people. We show our love for Mary by responding to God's calls willingly and promptly as she did. We honor her in a special way by praying the Rosary.

† A Moment with Jesus †

How can you answer God's call to you as Mary did? As you say a Hail Mary...tell Jesus how happy you are that Mary is his mother and ours, and thank him for the gift of your own mother/grandmother.
