September Supplemental Learning

Welcome to Kindergarten PREP!

What a wonderful year for your children to start learning their faith.

The first mission of a Kindergarten student is to become familiar with their prayers. What better way to start, but to have them pray them at home.

Family Prayer Calendar

September 17 - September 30

We invite you to pray with your family, either the:

Our Father (Blue) | Hail Mary (Red) | Glory Be (Green)

and have your child fill in the block with the appropriate color of the prayer that was said that day.
